IV. Regulatory Impact Statement

We generally prepare a regulatory flexibility analysis that is consistent with the Regulatory Flexibility Act (RFA) (5 U.S.C. 601 through 612), unless the Administrator certifies that a notice would not have a significant economic impact on a substantial number of small entities. For purposes of a RFA, States and individuals are not considered small entities. However, providers are considered small entities. Additionally, section 1102(b) of the Act requires the Secretary to prepare a regulatory impact analysis if a notice may have a significant impact on the operations of a substantial number of small rural hospitals. Such an analysis must conform to the provisions of section 604 of the RFA. For purposes of section 1102(b) of the Act, we define a small rural hospital as a hospital that is located outside of a Metropolitan Statistical Area and has fewer than 50 beds.

This notice does not contain rules; rather, it reflects the DSH allotments for each State as determined in accordance with §§ 447.297 through 447.299.

We have discussed the method of calculating the preliminary FFY 1995 national aggregate DSH target and the preliminary FFY 1995 individual State DSH allotments in the previous sections of this preamble. These calculations should have a positive impact on payments to DSHs. Allotments will not be reduced for high-DSH States since we are now interpreting the 12-percent limit as a target. Low-DSH States will get their base allotments plus their growth amounts.

In accordance with the provisions of Executive Order 12866, this notice was reviewed by the Office of Management and Budget.

ACTION: Notice.

SUMMARY: This Notice identifies unutilized, underutilized, excess, and surplus Federal property reviewed by HUD for suitability for possible use to assist the homeless.

ADDRESSES: For further information, contact William Molster, room 7256, Department of Housing and Urban Development, 451 Seventh Street SW, Washington, DC 20410; telephone (202) 708-1226; TDD number for the hearing-and-speech-impaired (202) 708-2565 (these telephone numbers are not toll-free), or call the toll-free Title V information line at 1-800-927-7588.

SUPPLEMENTARY INFORMATION: In accordance with 56 FR 23789 (May 24, 1991) and section 501 of the Stewart B. McKinney Homeless Assistance Act (42 U.S.C. 11411), as amended, HUD is publishing this Notice to identify Federal buildings and other real property that HUD has reviewed for suitability for use to assist the homeless. The properties were reviewed using information provided to HUD by Federal landholding agencies regarding unutilized and underutilized buildings and real property controlled by such agencies or by GSA regarding its inventory of excess or surplus Federal property. This Notice is also published in order to comply with the December 12, 1988 Court Order in *National Coalition for the Homeless v. Veterans Administration*, No. 88-2503-OG (D.D.C.).

Properties reviewed are listed in this Notice according to the following categories: Suitable/available, suitable/unavailable, suitable/to be excess, and unsuitable. The properties listed in the three suitable categories have been reviewed by the landholding agencies, and each agency has transmitted to HUD: (1) Its intention to make the property available for use to assist the homeless, (2) its intention to declare the property excess to the agency's needs, or (3) a statement of the reasons that the property cannot be declared excess or made available for use as facilities to assist the homeless.

Properties listed as suitable/available will be available exclusively for homeless use for a period of 60 days from the date of this Notice. Homeless assistance providers interested in any such property should send a written expression of interest to HHS, addressed to Judy Breitman, Division of Health Facilities Planning, U.S. Public Health Service, HHS, room 17A-10, 5600 Fishers Land, Rockville, MD 20857; (301) 443-2265. (This is not a toll-free number.) HHS will mail to the interested provider an application packet, which will include instructions for completing the application. In order to maximize the opportunity to utilize a suitable property, providers should submit their written expressions of interest as soon as possible. For complete details concerning the processing of applications, the reader is encouraged to refer to the interim rule governing this program, 56 FR 23789 (May 24, 1991).

For properties listed as suitable/to be excess, that property may, if subsequently accepted as excess by GSA, be made available for use by the homeless in accordance with applicable law, subject to screening for other Federal use. At the appropriate time, HUD will publish the property in a Notice showing it as either suitable/available or suitable/unavailable.

For properties listed as suitable/unavailable, the landholding agency has decided that the property cannot be declared excess or made available for use to assist the homeless, and the property will not be available.

Properties listed as unsuitable will not be made available for any other purpose for 20 days from the date of this Notice. Homeless assistance providers interested in a review by HUD of the determination of unsuitability should call the toll free information line at 1-800-927-7588 for detailed instructions or write a letter to William Molster at the address listed at the beginning of this Notice. Included in the request for review should be the property address (including zip code), the date of publication in the **Federal Register**, the landholding agency, and the property number.

SUPPLEMENTARY INFORMATION:

In accordance with the final rule published in the **Federal Register** on September 22, 1994 (59 FR 48726) (Mortgage Sale Regulations), and specifically with § 290.202 of that rule (59 FR 48731), the Department announces its intention to sell nonperforming, unsubsidized mortgage loans (Mortgage Loans). The first of these Mortgage Loans encumber properties located in the southeastern United States (Southeast Mortgage Sale). A final listing of the specific properties involved in the Southeast Mortgage Sale will be included in the Bid Package. The Mortgage Loans will be sold without Federal Housing Administration (FHA) insurance. The Department will offer interested parties an opportunity to bid competitively on the Mortgage Loans. Bids may be offered for one or all of the Mortgage Loans, as well as for any combination of Mortgage Loans. The Department will accept those bids that optimize the gross proceeds from the sale.

The Bidding Process

The Department will describe the procedure for participating in the Southeast Mortgage Sale in a Bid Package, which will include a standardized nonnegotiable loan sale agreement (Sales Agreement), as well as pertinent information concerning each of the Mortgage Loans, such as the unpaid principal balance and interest rate. The Department will distribute the Bid Package for a period of 6 weeks prior to the date that bids are due (Bid Date). Bid Packages will be available in February 1995. Interested parties may request a Bid Package by sending a written notice to the address specified in the **ADDRESSES** section, above, of this notice.

Bidders must include a 5 percent deposit with their bids. If a bidder submits multiple bids, the deposit will be limited to 5 percent of the bidder's largest bid amount. The successful bidders will be notified within 3

If a bidder submits multiple bids, the additional deposit will be limited to 5 percent of the bidder's largest bid amount. The Department will assign its interest in a Mortgage Loan to a successful bidder 60 days after the Award Date. If the successful bidder fails to abide by the terms of the Sales Agreement, including paying the Department any remaining sums due pursuant to the Sales Agreement and closing within the time period provided by the Sales Agreement, the Department shall retain and accept as liquidated damages any deposit from the successful bidder.

Due Diligence Facility

During the 6 week distribution period for Bid Packages, a due diligence facility will be available to interested parties, at which the Department will provide information such as environmental and title reports and market data. The facility will be located at the address specified in the **ADDRESSES** section, above, of this notice. The Department reserves the right to add or delete Mortgage Loans to the Southeast Mortgage Sale at any time prior to the sale. The Department also reserves the right to reject any and all bids, without prejudice to the Department's right to include any Mortgage Loans in a later sale.

Persons or entities that are debarred from doing business with the Department, pursuant to 24 CFR part 24, may not participate in this sale.

These are the essential terms of sale; the Sales Agreement will provide additional details. To ensure a competitive bidding process, the terms of sale are not subject to negotiation.

This notice is to ensure compliance with the Mortgage Sale Regulations. These regulations were promulgated in consideration of the settlement that the Department entered into in *Walker v.
